Baseball, basketball, football, soccer, softball, volleyball, dodgeball and wiffle ball are exciting sports which may involve collisions with other players, the ball, or the ground. The sport is sometimes played in extreme weather. Because of these conditions, players are exposed to the risk of serious injury. Injuries could include, but are not limited to, broken bones, concussions, paralysis, damage to internal organs and even death. Such injuries can result in short term loss of function and/or long term impairment of physical abilities. In an effort to make the games listed above as safe as possible, the coaches of this team will teach the players the skills and rules of the sport. Players must follow the coaches' instructions, rules, and policies to reduce the possibility of injury. Team rules/policies are also explained to players.
