(a) **Organization and Standing.** The City is a non-home rule municipality duly organized, validly existing and in good standing under the Constitution and laws of the State of Illinois.

(b) **Power and Authority.** The City has full power and authority to execute and deliver this Agreement and to perform all of its agreements, obligations and undertakings hereunder.

(c) **Authorization and Enforceability.** The execution, delivery and performance of this Agreement have been duly and validly authorized by all necessary action on the part of the City's Corporate Authorities. This Agreement is a legal, valid and binding obligation of the City, enforceable against the City in accordance with its terms, except to the extent that any and all financial obligations of the City under this Agreement shall be limited to the availability of such Incremental Property Taxes therefor as may be specified in this Agreement and that such enforceability may be further limited by laws, rulings and decisions affecting remedies, and by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforceability of debtors' or creditors' rights, and by equitable principles.

(d) **No Violation.** Neither the execution nor the delivery of this Agreement or the performance of the City's agreements, obligations and undertakings hereunder will conflict with, violate or result in a breach of any of the terms, conditions, or provisions of any agreement, rule, regulation, statute, ordinance, judgment, decree, or other law by which the City may be bound.

(e) **Governmental Consents and Approvals.** No consent or approval by any governmental authority is required in connection with the execution and delivery by the City of this Agreement or the performance by the City of its obligations hereunder.

Section 2.2. Representations and Warranties of the Developer. In order to induce the City to enter into this Agreement, the Developer makes the following representations and warranties to the City:

(a) **Organization.** The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois.

(b) **Power and Authority.** The Developer has full power and authority to execute and deliver this Agreement and to perform all of its agreements, obligations and undertakings hereunder and thereunder.

(c) **Authorization and Enforceability.** The execution, delivery and performance of this Agreement have been duly and validly authorized by all necessary action on the part of the Developer's manager. (d) **No Violation.** Neither the execution nor the delivery or performance of this Agreement will conflict with, violate or result in a breach of any of the terms, conditions, or provisions of, or constitute a default under, or (with or without the giving of notice or the passage of time or both) entitle any party to terminate or declare a default under any contract, agreement, lease, license or instrument or any rule, regulation, statute, ordinance, judicial decision, judgment, decree or other law to which the Developer is a party or by which the Developer or any of its assets may be bound.

(e) **Consents and Approvals.** No consent or approval by any governmental authority or by any other person or entity is required in connection with the execution and delivery by the Developer of this Agreement or the performance by the Developer of its obligations hereunder.

(f) **No Proceedings or Judgments.** There is no claim, action or proceeding now pending, or to the best of its knowledge, threatened, before any court, administrative or regulatory body, or governmental agency (1) to which the Developer is a party and (2) which will, or could, prevent the Developer's performance of its obligations under this Agreement.

(g) **Maintenance of Existence.** During the term of this Agreement, the Developer shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence as an Illinois limited liability company.

Section 2.3. Disclaimer of Warranties. The City and the Developer acknowledge that neither has made any warranties to the other except as set forth in this Agreement. The City hereby disclaims any and all warranties with respect to the Property and the Project, express or implied,

including, without limitation, any implied warranty of fitness for a particular purpose or merchantability or sufficiency of the Incremental Property Taxes for the purposes of this Agreement. Nothing has come to the attention of the Developer to question the assumptions or conclusions or other terms and provisions of any projections of Incremental Property Taxes, and the Developer assumes all risks in connection with the practical realization of any such projections of Incremental Property Taxes.

ARTICLE III [RESERVED]

ARTICLE IV CITY'S COVENANTS AND AGREEMENTS

Section 4.1. City's TIF Funded Financial Obligations. The City shall have the obligations set forth in this Section 4.1 relative to financing Eligible Redevelopment Project Costs in connection with the Project. Upon the submission to the City by the Developer of a Requisition for Eligible Redevelopment Project Costs incurred and paid by or on behalf of the Developer and the approval thereof by the City in accordance with Article VI of this Agreement, the City, subject to the terms, conditions and limitation set forth in this Section 4.1, agrees to reimburse the Developer, or to pay as directed by the Developer, from the Fund fifty percent (50%) of the Eligible Redevelopment Project Costs up to a maximum amount of \$57,250.00 (the "**Reimbursement Amounts**"). The total amount of all such payments of the Reimbursement Amounts pursuant to this Section 4.1 shall not exceed fifty percent (50%) of the total amount of all Eligible Redevelopment Project Costs which are directly attributable and allocable to the Project upon the Property or \$57,250.00, whichever is less.

Section 4.2. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including the payments of any Reimbursement Amounts to be paid or reimbursed by the City, is contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement. Anything herein to the contrary notwithstanding, the Developer agrees that the City may, to the extent permitted by law, use any Incremental Property Taxes, including any unpaid Reimbursement Amounts, if available, to be redirected to reimburse the City for its defense costs, including without limitation attorneys' fees and expenses.

ARTICLE IV DEVELOPER'S COVENANTS

Section 5.1. Commitment to Undertake and Complete Project. The Developer covenants and agrees to undertake and complete the Project on or before the Project Completion Date. The Developer recognizes and agrees that the City has sole discretion with regard to all approvals and permits relating to the Project, including but not limited to approval of any required permits, and any failure on the part of the City to grant or issue any such required permit shall not give rise to any claim against or liability of the City pursuant to this Agreement. The City agrees, however, that any such approvals shall be made in conformance with the City Codes and shall not be unreasonably denied, withheld, conditioned or delayed.

Section 5.2. Compliance with Agreement and Laws During Project. The Developer shall at all times undertake the Project, including any related activities in connection therewith, in conformance with this Agreement and all applicable City Codes. Any agreement of the Developer related to the Project with any contractor, subcontractor or supplier shall, to the extent applicable, contain provisions substantially similar to those required of the Developer under this Agreement.

Section 5.3. Prevailing Wages. The Developer acknowledges that the Illinois Department of Labor currently takes the position as a matter of its enforcement policy that the TIF Financing of the Project under this Agreement does not subject the Project to the Prevailing Wage Act unless the Project also receives funding from another public source. The City makes no representation as to any such application of the Prevailing Wage Act to the Project, and any failure by the Developer to comply with the Prevailing Wage Act, if and to the extent subsequently found to be applicable by any legal authority having jurisdiction, shall not be deemed a "Default" under this Agreement. Notwithstanding the foregoing sentence, the Developer agrees to assume all responsibility for any such compliance (or noncompliance) with the Prevailing Wage Act in connection with the Project under this Agreement in the event of any action by any party to enforce its provisions.

Section 5.4. Continuing Compliance with Laws. The Developer agrees that in the continued use, occupation, operation and maintenance of the Project, the Developer will comply with all applicable federal and state laws, rules, regulations and all applicable City Codes and other ordinances.

Section 5.5. Tax and Related Payment Obligations. The Developer agrees to pay and discharge, promptly and when the same shall become due, all general ad valorem real estate taxes and assessments, all applicable interest and penalties thereon, and all other charges and impositions of every kind and nature which may be levied, assessed, charged or imposed upon the Property or any part thereof that at any time shall become due and payable upon or with respect to, or which shall become liens upon, any part of the Property. The Developer, including any others claiming by or through it, also hereby covenants and agrees not to file any application for property tax exemption for any part of the Property under any applicable provisions of the Property Tax Code of the State of Illinois (35 ILCS 200/1-1 et seq.), as supplemented and amended, unless the City and the Developer shall otherwise have first entered into a mutually acceptable agreement under and by which the Developer shall have agreed to make a payment in lieu of taxes to the City, it being mutually acknowledged and understood by both the City and the Developer that any such payment of taxes (or payment in lieu thereof) by the Developer is a material part of the consideration under and by which the City has entered into this Agreement. This covenant of the Developer shall be a covenant that runs with the land being the Property upon which the Project is undertaken and shall be in full force and effect until December 31, 2041, upon which date this covenant shall terminate and be of no further force or effect (and shall cease as a covenant binding upon or running with the land) immediately, and without the necessity of any further action by City or Developer or any other party; provided, however, upon request of any party in title to the Property, the City shall execute and deliver to such party an instrument, in recordable form, confirming for the record that this covenant has terminated and is no longer in effect. Nothing contained within this Section 5.5 shall be construed, however, to prohibit the Developer from initiating and prosecuting at its own cost and expense any proceedings permitted by law for the purpose of contesting the validity or amount of taxes, assessments, charges or other impositions levied or imposed upon the Property or any part thereof.

ARTICLE VI
PAYMENT PROCEDURES FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 6.1. Payment Procedures. The City and the Developer agree that the Eligible Redevelopment Project Costs constituting the Reimbursement Amounts shall be paid solely, and to the extent available, from Incremental Property Taxes that are deposited in the Fund and not otherwise. The City and the Developer intend and agree that the Reimbursement Amounts shall be disbursed by the City Treasurer for payment to the Developer in accordance with the procedures set forth in this Section 6.1 of this Agreement.

The City hereby designates the City Treasurer as its representative to coordinate the authorization of disbursement of the Reimbursement Amounts for the Eligible Redevelopment Project Costs. Payments to the Developer of the Reimbursement Amounts for Eligible Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a “**Requisition**”) submitted by the Developer not more frequently than monthly with respect to Eligible Redevelopment Project Costs incurred and paid but not previously submitted. Each such Requisition shall be accompanied by appropriately supporting documentation, including, as applicable, receipts for paid bills or statements of suppliers, contractors or professionals, together with required contractors’ affidavits or lien waivers.

Section 6.2. Approval and Resubmission of Requisitions. The City Treasurer shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that (i) all or some part of the Requisition does not constitute Eligible Redevelopment Project Costs or has not otherwise been sufficiently documented as specified herein; or (ii) a “Default” under this Agreement as described in Section 7.1 hereof has occurred and is continuing. If a Requisition is disapproved by the City Treasurer, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required, if that is the basis for denial. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 6.3. Time of Payment. If, and to the extent approved by one or more Requisitions under this Article and provided that performance of this Agreement has not been suspended or terminated by the City under Article VII hereof, the City shall pay the Reimbursement Amounts within sixty (60) days of the date of such approval.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.1. Events of Default. The occurrence of any one or more of the events specified in this Section 7.1 shall constitute a “Default” under this Agreement.

By the Developer:

(1) The furnishing or making by or on behalf of the Developer of any statement or representation in connection with or under this Agreement or any of the Related Agreements that is false or misleading in any material respect;

(2) The failure by the Developer to timely perform any term, obligation, covenant or condition contained in this Agreement or any of the Related Agreements;

By the City:

(1) The failure by the City to pay any portion of the Reimbursement Amounts which become due and payable in accordance with the provisions of this Agreement; and

(2) The failure by the City to timely perform any other term, obligation, covenant or condition contained in this Agreement.

Section 7.2. Rights to Cure. The party claiming a Default under Section 7.1 of this Agreement (the “**Non-Defaulting Party**”) shall give written notice of the alleged Default to the other party (the “**Defaulting Party**”) specifying the Default complained of. Except as required to protect against immediate, irreparable harm, the Non-Defaulting Party may not institute proceedings or otherwise exercise any right or remedy against the Defaulting Party until thirty (30) days after having given such notice, provided that in the event a Default is of such nature that it will take more than thirty (30) days to cure or remedy, such Defaulting Party shall have an additional period of time reasonably necessary to cure or remedy such Default provided that such Defaulting Party promptly commences and diligently pursues such cure or remedy. During any such period following the giving of notice, the Non-Defaulting party may suspend performance under this Agreement until the Non-Defaulting Party receives written assurances from the Defaulting Party, deemed reasonably adequate by the Non-Defaulting Party, that the Defaulting Party will cure or remedy the Default and remain in compliance with its obligations under this Agreement. A Default not cured or remedied or otherwise commenced and diligently pursued within thirty (30) days as provided above shall constitute a “**Breach**” under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any Default or any Breach shall not operate as a waiver of any such Default, Breach or any other rights or remedies it may have as a result of such Default or Breach.

Section 7.3. Remedies. Upon the occurrence of a Breach under this Agreement by the Developer, the City shall have the right to terminate this Agreement by giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party upon the occurrence of a Breach under this Agreement by the Defaulting Party shall be to institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such Breach, including but not limited to proceedings to compel any legal action for specific performance or other appropriate equitable relief. Notwithstanding anything herein to the contrary, the sole remedy of the Developer upon the occurrence of a Breach by the City under any of the terms and provisions of this Agreement shall be to institute legal action against the City for specific performance or other appropriate equitable relief and under no circumstances shall the City be liable to the Developer for any indirect, special, consequential or punitive damages, including without limitation, loss of profits or revenues, loss of business opportunity or production, cost of capital, claims by customers, fines or penalties, whether liability is based upon contract, warranty, negligence, strict liability or otherwise, under any of the provisions, terms and conditions of this Agreement. In the event that any failure of the City to pay any portion of the Reimbursement Amounts which become due and payable in accordance with the provisions hereof is due to insufficient Incremental Property Taxes being available to the City, any such failure shall not be deemed to be a Default or a Breach on the part of the City.

Section 7.4. Costs, Expenses and Fees. Upon the occurrence of a Default or a Breach which requires either party to undertake any action to enforce any provision of this Agreement, the Defaulting Party shall pay upon demand all of the Non-Defaulting Party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such Non-Defaulting Party in enforcing any of the Defaulting Party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the Defaulting Party causes the Non-Defaulting Party, without the Non-Defaulting Party's fault, to become involved or concerned.

ARTICLE VIII

RELEASE, DEFENSE AND INDEMNIFICATION OF CITY

Section 8.1. Declaration of Invalidity. Notwithstanding anything herein to the contrary, the City, its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable to the Developer for damages of any kind or nature whatsoever or otherwise in the event that all or any part of the TIF Act, or any of the TIF Ordinances or other ordinances of the City adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, shall be declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof; provided that nothing in this Section 8.1 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts, if any, in the event of a Breach of this Agreement by the City.

Section 8.2. Damage, Injury or Death Resulting from Project. The Developer releases from and covenants and agrees that the City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors thereof against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect in the construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or other acts or omissions of the City, its Corporate Authorities, officials, agents, employees or independent contractors that are contrary to the provisions of this Agreement.

Section 8.3. Damage or Injury to Developer and Others. The City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or any of its officers, agents, independent contractors or employees or of any other person who may be about the Property or the Project due to any act of negligence of any person, except as such may be caused by the intentional misconduct, gross negligence, or acts or omissions of the City, its Corporate Authorities, officials, agents, employees, or independent contractors that are contrary to the provisions of this Agreement.

Section 8.4. No Personal Liability. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally

liable to the Developer (i) in the event of a Default or Breach by any party under this Agreement, or (ii) for the payment of any portion of the Reimbursement Amount which may become due and payable under the terms of this Agreement.

Section 8.5. City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any Default or Breach under this Agreement; provided that nothing in this Section 8.5 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a Breach of this Agreement by the City.

Section 8.6. Actions or Obligations of Developer. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with (i) any of the Developer's obligations under or in connection with this Agreement, (ii) the construction or installation of the Project, (iii) the Developer's compliance with the Prevailing Wage Act if, as and when applicable to the Project, and (iv) the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the management, development, redevelopment, construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

Section 8.7. Environmental Covenants. To the extent permitted by law, the Developer agrees to indemnify, defend, and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all claims, demands, costs, liabilities, damages or expenses, including attorneys' and consultants' fees, investigation and laboratory fees, court costs and litigation expenses, arising from: (i) any release or threat of a release, actual or alleged, of any hazardous substances, upon or about the Property or respecting any products or materials previously, now or thereafter located upon, delivered to or in transit to or from the Property regardless of whether such release or threat of release or alleged release or threat of release has occurred prior to the date hereof or hereafter occurs and regardless of whether such release occurs as a result of any act, omission, negligence or misconduct of the City or any third party or otherwise; (ii) (A) any violation now existing (actual or alleged) of, or any other liability under or in connection with, any environmental laws relating to or affecting the Property, or (B) any now existing or hereafter arising violation, actual or alleged, or any other liability, under or in connection with, any environmental laws relating to any products or materials previously, now or hereafter located upon, delivered to or in transit to or from the Property, regardless of whether such violation or alleged violation or other liability is asserted or has occurred or arisen prior to the date hereof or hereafter is asserted or occurs or arises and regardless of whether such violation or alleged violation or other liability occurs or arises, as the result of any act, omission, negligence or misconduct of the City or any third party or otherwise; (iii) any assertion by any third party of any claims or demands for any loss or injury arising out of, relating to or in connection with any hazardous substances on or about or allegedly on or about the Property; or (iv) any breach, falsity or failure of any of the representations, warranties, covenants and agreements of the like. For purposes of this section, "hazardous materials" includes, without limit, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related

materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. §§ 9601 et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. §§ 1801 et seq.), the Resource Conservation and Recovery Act, as amended (42 U.S.C. §§ 9601 et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation.

Section 8.8. Notification of Claims. Not later than thirty (30) days after the Developer becomes aware, by written or other overt communication, of any pending or threatened litigation, claim or assessment, the Developer will, if a claim in respect thereof is to be made against the Developer which affects any of the Developer's rights or obligations under this Agreement, notify the City of such pending or threatened litigation, claim or assessment, but any omission so to notify the City will not relieve the Developer from any liability which it may have to the City under this Agreement.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 9.1 Entire Agreement and Amendments. This Agreement (together with Exhibit A attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, and may not be modified or amended except by a written instrument executed by both of the parties.

Section 9.2. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 9.3. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 9.4. Special and Limited Obligation. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. This Agreement shall never constitute a general obligation of the City to which its credit, resources or general taxing power are pledged. The City pledges to the payment of its obligations under Section 4.1 hereof only such amount of the Reimbursement Amounts as is available in the Fund and such amount of the Incremental Property Taxes to be deposited in the Fund, if, as and when received, and not otherwise.

Section 9.5. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in Default with respect to any performance obligations under this Agreement on their respective parts to be performed if any such failure to timely perform is due in whole or in part to the following (which also constitute "unavoidable delays"): any strike, lock-out or other labor disturbance (whether legal or illegal, with

respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties, or any other cause beyond the reasonable control of the Developer or the City.

Section 9.6. Waiver. Any party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 9.7. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the City or the Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

Section 9.8. Notices and Communications. All notices, demands, requests or other communications under or in respect of this Agreement shall be in writing and shall be deemed to have been given when the same are (a) deposited in the United States mail and sent by registered or certified mail, postage prepaid, return receipt requested, (b) personally delivered or (c) sent by a nationally recognized overnight courier, delivery charge prepaid, in each case, to the City and the Developer at their respective addresses (or at such other address as each may designate by notice to the other), as follows:

(i) In the case of the City, to:
City of Villa Grove, Illinois
120 N. Main Street
Villa Grove, IL 61956
Attn: City Treasurer
Tel: (217) 832-4721

Whenever any party hereto is required to deliver notices, certificates, opinions, statements or other information hereunder, such party shall do so in such number of copies as shall be reasonably specified.

Section 9.9. Assignment. The Developer agrees that it shall not sell, assign or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of the City. Any assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer, including any with the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the applicable parties thereto.

Section 9.10. Successors in Interest. Subject to Section 9.9 above, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respectively authorized successors, assigns and legal representatives (including successor Corporate Authorities).

Section 9.11. No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

Section 9.12. Illinois Law; Venue. This Agreement shall be construed and interpreted under the laws of the State of Illinois. If any action or proceeding is commenced by any party to enforce any of the provisions of this Agreement, the venue for any such action or proceeding shall be in Douglas County, Illinois.

Section 9.13. Term. Unless earlier terminated pursuant to the terms hereof, this Agreement shall be and remain in full force and effect from and after the Effective Date and shall terminate sixty (60) days after the Project Completion Date; provided, however, that anything to the contrary notwithstanding, the Developer's obligations under Section 5.5 and Article VIII of this Agreement shall be and remain in full force and effect in accordance with the express provisions thereof.

Section 9.14. Construction of Agreement. This Agreement has been jointly negotiated by the parties. The parties acknowledge that each has either been represented by or has had the opportunity to consult with legal counsel and that accordingly the terms of this Agreement are not to be construed against a party because that party may have primarily assumed responsibility for preparation of this Agreement or because that party failed to understand the legal effect of any provision of this Agreement.
